Shield

THURSDAY 17 SEPT

Year 7 Immunisations (Followup)

Arts Showcase

FRIDAY 18 SEPT

Year 12 Exams Commence

The Year 12 Ball 2020 an affair to remember

With great enthusiasm, the Year 12 Ball went ahead at the Sun Pictures Cinema recently. We had an impressive turn out from staff and students who ate, danced and partied the night away. We were lucky enough to have the catering for the event provided by the Aarli Bar, so there were no empty plates in sight! The venue provided a unique Broome experience which was further enhanced with lighting and stylish table decor. To ensure the surrounding neighbours were aware of the evening, the Year 12 band played a sensational set that got staff and students out of their chairs and onto the dance floor. Further entertainment on the night included photos of Year 12 students across their 6 years of schooling projected onto the big screen. Thank you to the generous staff who helped out on the night and made it such a memorable event for our Year 12 cohort.

BROOME CLUSTER OF
INDEPENDENT PUBLIC SCHOOLS

FIVE SCHOOLS, ONE COMMUNITY

We acknowledge the Yawuru people, the traditional owners and custodians of the land on which we work and learn together

PRINCIPAL'S PEN

Mathew Burt | Principal

Ngaji Gurrjin,

We have started Term 3 at a frantic pace trying to make up for many opportunities lost due to COVID. We are close to the end of Barrgana season and enjoy morning fog and the last of the dry easterly winds, we will soon be in Wirlburu season and start to feel the humidity rise.

Our Year 10 students have commenced their course selections for 2021. The Year 10 course selections process is a key moment for all students at this year level. It is the first time students have the opportunity to make decisions about their future education and career pathways but it starts at the beginning of their high school journey. Past grades, attendance patterns and behaviour are all considered a part of the selection process in Year 10. Consequently demonstrating academic achievement and engagement in option courses during the lower school years is vital to establish a student for making future choices.

Broome Senior High School provides exceptional educational choice and career development options for our students. One of the great strengths of our school is the diverse range of courses students have to select from in Years 11 and 12 and the opportunities available to them. From students who want to access direct entry into University, to those wishing to pursue Vocational training as well as students completing general education to follow their interests and skill development, there is a pathway to suit.

As a parent, going through the Year 10 course selection process with your child can be confusing. There is a large amount of information to take in so I encourage you to maintain close contact with your child's teachers and the school during this time to ensure you and your child make the best and most informed choices.

Gala Mabu.

Australian Children's Music Foundation Success

The Broome Girls Academy students have been working with Steve and Tanya from Australian Children's Music Foundation (ACMF) to create two songs and film clips. Students have had the chance to play a variety of instruments including electric guitar. They have learnt to play the drums and have shown great skills on the acoustic guitar. So proud to see them focusing so well on these skills and projects.

Introducing the Year 7 Leadership Team for Term 3

At the beginning of Term 3, a call for nominations went out to all the students in Year 7 to be part of the inaugural Year 7 Leadership group. 36 students put their name forward for the chance to be selected for a place on the team for either Term 3 or Term 4. Students were selected at random from the nomination box at assembly last week – and we have ten awesome young women on the team this term. The leadership team will be responsible for running the Year 7 assemblies, planning recess and lunchtime activities for the year group to enjoy, as well as organising an end of term reward activity for the cohort. The enthusiasm shown so far by the group has been very impressive. Ten new students will join the team in Term 4.

VIVO positive reward system continues to promote good behaviour

Our VIVO positive reward system here at school continues to promote good behaviour. Teachers are pumping out the reward points for those students doing the right thing in and out of class and students are now able to cash in their VIVO reward points during Friday lunchtime in Weeks 3, 6 and 9 of each term. Some students are saving up their points for the big-ticket items while others enjoy their more regular ice pole, stationery item, muesli bar treats or whatever takes their fancy. With our new school build and related facilities nearing completion here at school, our next PBS focus is 'Use facilities with care'.

Earning and Learning with vivo

Encourage good behaviour or reward hard work, with our teacher incentives, Vivo Points.

Students can save up their Vivo Points and spend them in our Reward Store which will be open for business every 3 weeks in the library.

Actively listen and participate.

Students can be rewarded for demonstrating active listening skills and participating enthusiastically in the lesson.

Follow directions the first time.

Students can be rewarded for following instructions the first time they are given.

Lead by example.

Students can be rewarded for modelling positive behaviour.

Put rubbish in the bin.

Students can be rewarded for picking up rubbish and ensuring it goes into the bin.

Value your property and that of others.

Students can be rewarded for taking care of their own and others' belongings.

Wear your uniform with pride.

Form teachers can reward students who are wearing the correct uniform in form.

This includes the Broome Senior High School polo and Broome Senior High School embroidered shorts.

Wait outside class in an orderly manner.

Students can be rewarded for waiting outside their class quietly and neatly lining up outside the classroom.

Award Vivo Points using the following methods:

1. Use the desktop application at www.vivomiles.com.au.
2. Use the mobile phone application called Vivo Miles.
3. Print credit tokens and award them to students who can enter the points themselves using their Vivo login.

The Year 12 Ball 2020 an affair to remember

HaSS Week: Humanities for Better Humans.

Humanities and Social Sciences (HaSS) week was celebrated again this year during week 3 of this term, with a series of activities around this year's theme "Humanities for Better Humans". Our amazing HaSS team organised a series of activities for in-class learning, including a 'decorate your classroom' door competition and a Year 8 break out of an escape room challenge using your HaSS knowledge. We also saw the return of Mr Hamid's hotly contested lunch-time 'Mapping and Significant People' competition (thanks to Year 12 HaSS students Lucinda Prunster, Kaelyn Pethick and Emily Gillmore for their assistance). Students should be commended on their positive attitudes and participation in all activities, which all reflected the power of students' voices in speaking out for better humans.

HASS WEEK 2020

1st - 7th August 2020

HUMANITIES FOR BETTER HUMANS

Enrol in VacSwim

Get ready for summer! Enrol your child in October and January VacSwim programs.

ENROL NOW

VacSwim offers affordable swimming lessons across the State, giving children the opportunity to learn to swim in a safe and enjoyable environment.

Enrolments for October and January programs are now open.

VacSwim provides children aged five to 17 years with the opportunity to develop and progress their swimming and water safety skills during the school holidays at over 180 pool and beach locations across the State. There are lessons for beginner, intermediate and advanced swimmers.

Many of your students will be capable swimmers or working towards their Bronze Medallion. Students who complete Stages 13 to 16 through VacSwim enjoy the benefit of having their award fees waived by Royal Life Saving Society WA. It is a great opportunity for them and a huge benefit to the community.

Enrolments for VacSwim are now open and families can enrol online. Translated factsheets and enrolment forms are also available from the website in the following languages: Arabic, Farsi, Dari, Swahili, Tigrinya, Dinka, Hindi, Indonesian, Chinese, Burmese, Japanese, Tagalog, Thai and Vietnamese.

Further information and details of fees, locations and how to enrol:

<https://www.education.wa.edu.au/vacswim>

Students compete in world-class sailfish competition

Congratulations to Year 8 student Macie Dow and Year 9 student Trent Scholte who recently competed

in the Broome Billfish Classic, a frenetic two-day fishing tournament hosted annually by the Broome Fishing Club.

A number of junior anglers fished the competition with awards going to Macie and

Trent. Almost 900 fish were raised, of which 386 Sailfish and four Marlin were tagged and released.

Microsoft Office for free!

Did you know students can now download and install the full MS Office 365 Pro Plus suite on up to 15 personally owned devices? If you are a registered student with the Department of Education in Western Australia the MS Office software is available for you to install at no charge.

Please download the comprehensive guide from our school website (under the Resources tab) for full installation instructions and launch MS Office 365 Pro Plus today.

2020 ATHLETICS TWILIGHT CARNIVAL THURSDAY 20 AUGUST

Haynes Oval from 12:30pm – 7:30pm

(students attend classes as per normal throughout the day Thursday)

Get on your faction clothes and accessories for a fun-filled afternoon/evening.

The carnival is in a tabloid format with a mix of fun-novelty and athletics events.

PLEASE NOTE: modified spectator access this year. All spectators need to remain behind the wooden bollard area and off the oval. Non Broome Senior High School students /children will not be able to enter the oval without parent / guardian supervision.

Broome Clontarf Academy

STAFF VS STUDENTS

The Broome Clontarf Academy will be hosting the annual staff vs students footy game.

This is a great opportunity to dust out the cobwebs and throw on the boots. The more the merrier!

So bring your A game, water bottles and smiles and see you there!

Date: Tuesday 22nd September 2020
Time start: 3:30pm
Time finish: 5:00pm
Where: St Mary's College Oval

BBO and Drinks will be provided on the day
